

Landing Page

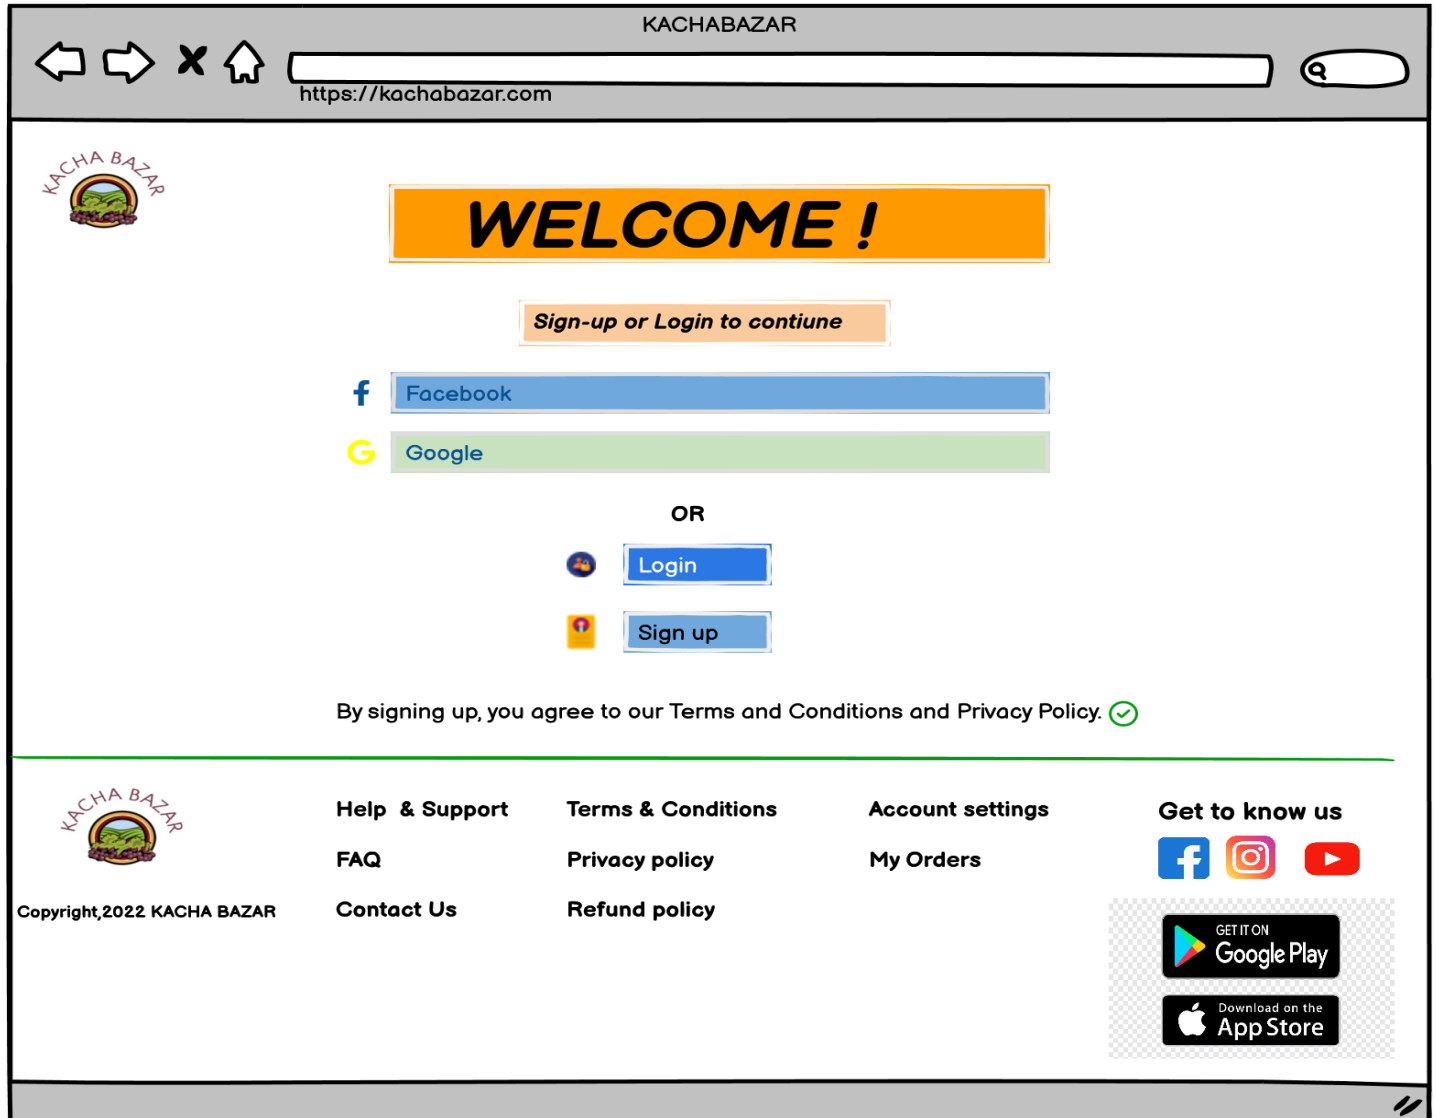

Picture:Landing Page of KACHA BAZAR

So this is basically a mockup website where the Website name is “KACHA BAZAR”.So here first page is landing page,in this page

- First of all there is a url of kacha bazar,back and forward option.
- There is a search bar where we can search for products on this website.
Users can scroll the landing page as there is a scroll bar.
- There is a dropdown bar for categories,where the product is categorized,and there is also a subset of products.

- Next to the search bar there is a location option ,where we can set our location,so they can locate our location and can deliver products.
- There is also a User profile,the icon is in green color.
- A cart system is also there,where users can cart their products and can buy from there.
- Users can get more information about this website from youtube,facebook and instagram.
- Users can download this website from google play store and Iphone user can download from apple store ,there is option in this website which will drag directly in this link.
- There is a live chat option where users can chat with our client site employee directly.
 - In the bottom of the page there is
 - Support
 - Help
 - Contact
 - Terms and Privacy
 - Refund policy
 - Account settings
 - Order
- Only a **registered user** can chat with our client site employee,and also set his location.
- Without registration a user can cart items,but can't buy products .
- For buying a product a user must need his profile,so after landing page a user will visit **Welcome Page** and after login or sign up he can buy things.
- For setting up location a user needs to **Welcome Page** this website,so one click one set location ,first thing shown to signup/login page.

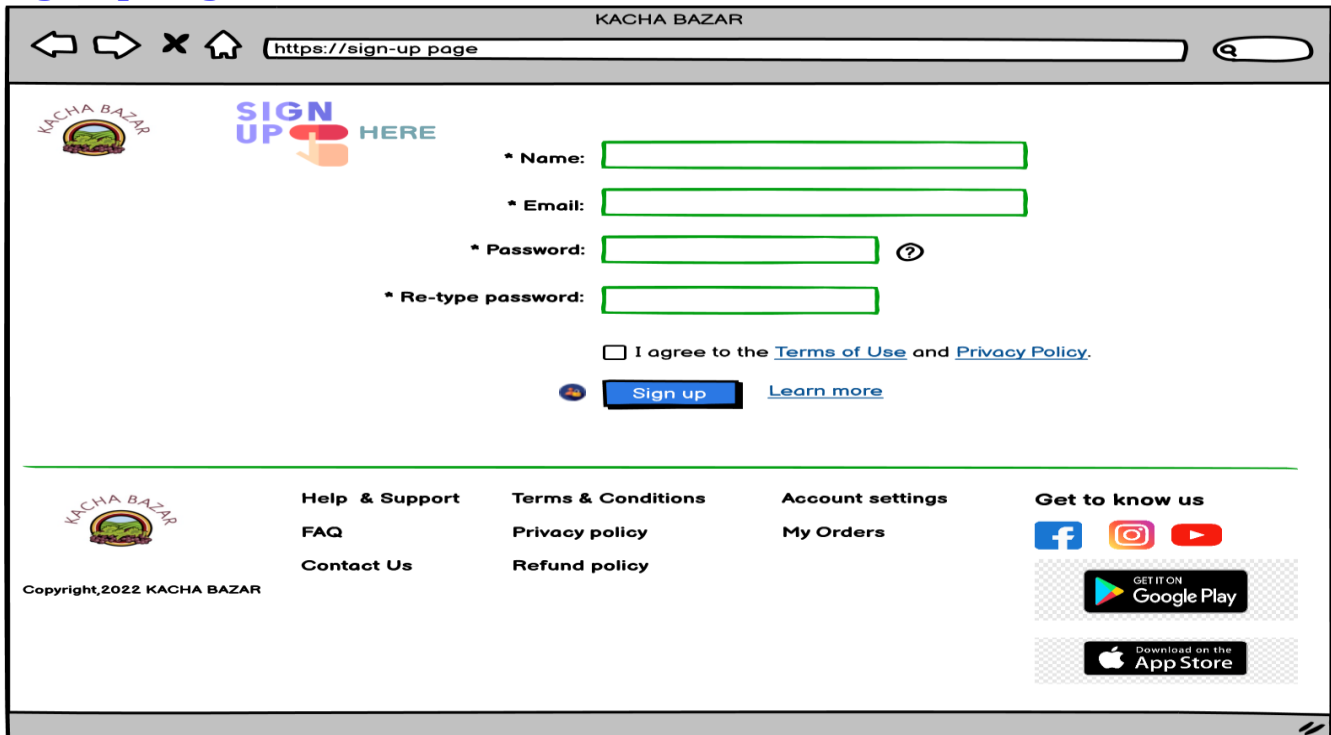

Welcome Page

Picture:Welcome Page of KACHA BAZAR

- Users must land on this **Welcome page**,to browse these sites
 - Location
 - User profile button
 - Live chat
- A user can sign in to use Facebook,Google accounts.
- If there is no account,first a user needs to create an account for that he needs to click on the Sign up button which will land him to the **Sign up page**.
A user needs to click on that click button that he signs to agree to all our terms and policy,without clicking this one can't sign in.

Sign up Page

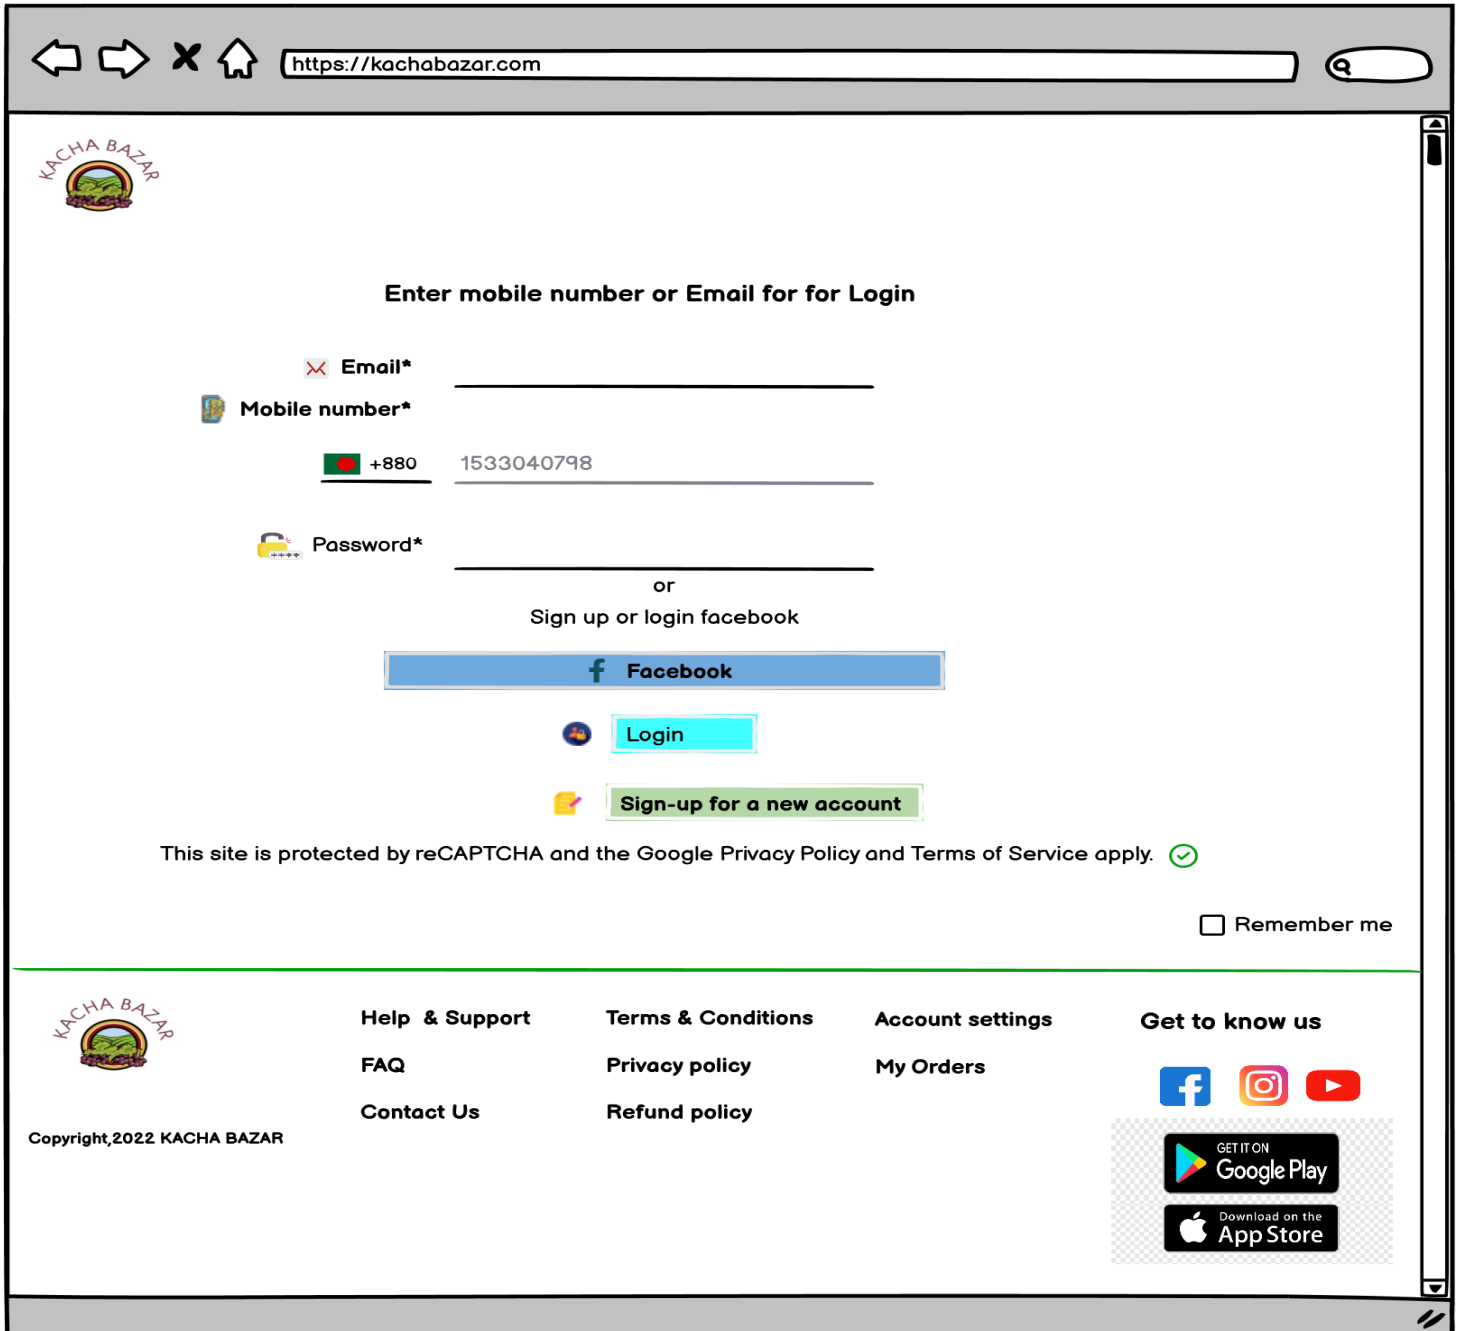

The screenshot shows a web browser window with the address bar displaying "https://sign-up page". The page title is "KACHA BAZAR". The main content area features the KACHA BAZAR logo on the left and a "SIGN UP HERE" graphic with a hand icon pointing to the sign-up button. Below this, there are four input fields: "Name", "Email", "Password", and "Re-type password". Each field is preceded by an asterisk. A checkbox labeled "I agree to the Terms of Use and Privacy Policy." is located below the password fields. A "Sign up" button is positioned below the checkbox, and a "Learn more" link is to its right. The footer section contains the KACHA BAZAR logo, copyright information "Copyright,2022 KACHA BAZAR", and a grid of links: "Help & Support" (with sub-links "FAQ" and "Contact Us"), "Terms & Conditions" (with sub-links "Privacy policy" and "Refund policy"), "Account settings" (with sub-link "My Orders"), and "Get to know us" (with social media icons for Facebook, Instagram, and YouTube). At the bottom right, there are two buttons: "GET IT ON Google Play" and "Download on the App Store".

Picture:Sign up Page of KACHA BAZAR

- So this is the sign up page,after the Welcome **page**,if a user does not have an account he will come to this page to sign up for this website.
- There is some fields which need to fill up,there fields are
 - Name ➤ Email
 - Password
 - Retype-password
- So these fields must need to be filled up,if one is blank or not fill-up desired output then this shows a message to fill up these fields

Login Page

The screenshot shows the login page of KACHA BAZAR. At the top, there's a browser address bar with the URL 'https://kachabazar.com'. Below the address bar is the KACHA BAZAR logo. The main heading is 'Enter mobile number or Email for for Login'. There are three input fields: 'Email*' with a red 'X' icon, 'Mobile number*' with a mobile phone icon, and 'Password*' with a password icon. The mobile number field is pre-filled with '+880 1533040798'. Below the password field, there's a link 'or Sign up or login facebook'. There are three buttons: a blue 'Facebook' button, a cyan 'Login' button, and a green 'Sign-up for a new account' button. Below these buttons, there's a reCAPTCHA notice: 'This site is protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply.' with a green checkmark icon. At the bottom right, there's a 'Remember me' checkbox. The footer contains the KACHA BAZAR logo, copyright information 'Copyright,2022 KACHA BAZAR', and links for 'Help & Support', 'Terms & Conditions', 'Account settings', 'Get to know us', 'FAQ', 'Privacy policy', 'My Orders', 'Contact Us', and 'Refund policy'. There are also social media icons for Facebook, Instagram, and YouTube, and app store links for Google Play and the App Store.
